

Publish Dataset

Deposit License Requirements

For each requirement below, you confirm that you have met all licenses, policy and other data agreements

- I have read the deposit license and affirm that I have the legal right and authorization to make this data publicly available.
- I understand that this data will be available online for world-wide unrestricted access through Libra.
- I have removed any confidential or sensitive information, including all information that personally identifies any individual or that contains any information that should not be made public under state or federal law, or UVA policy.
- I have fulfilled any right of review, confidentiality, or other obligations imposed under any sponsored research agreement.
- I have complied with any data or information security requirements set forth in any IRB approval; any human subjects research data has been de-identified.

⚠ Are you sure you want to publish this dataset? Once you do so it must remain published.
