Use blade Modal component

The image shows a modal window titled "Update Study" with a close button (X) in the top right corner. The modal contains several form fields:

- Sort order:** A dropdown menu showing the value "1".
- Label:** A text input field containing the word "Study".
- Type:** A dropdown menu showing the value "Productive".
- Hourly rate:** A text input field with a unit "EUR/H" and the value "110,00".
- Margin:** A text input field with a percentage icon and the value "110,00".
- Color:** A color selection bar.
- Logo file (peg,png,jpg,gif,svg | max: 10 240 Ko):** A file selection field with a "Choose file" button and a "Browse" button.
- Supplier:** A dropdown menu showing the value "None".

At the bottom left of the modal is a green "Submit" button with a document icon. At the bottom right is a green "Close" button.

Break down the article task
