GUIDE OF PROCCES DESING OF WOOW

This document will guide you through
the project design process..

Our Process

User History

HISTORIA DE USUARIO 1:

Yo como:
Mesero.

Quiero:
Poder ingresar al sistema de pedidos.

HISTORIA DE USUARIO 2:

Yo como:
Mesero.

Quiero:
Tomar el pedido de un cliente para no depender de mi mala memoria.

Para:
Saber cuánto cobrar, y enviarlo a la cocina para evitar errores y que se puedan ir preparando en orden.

HISTORIA DE USUARIO 3:

Yo como:
Jefe de cocina.

Quiero:
Ver los pedidos de los clientes en orden y marcar cuáles están listos.

Para:
Saber qué se debe cocinar y avisar a lxs meserxs que un pedido está listo para servirlo a un cliente.

HISTORIA DE USUARIO 4:

Yo como:
Mesero.

Quiero:
Ver los pedidos que están preparados.

Para:
Entregarlos rápidamente a los clientes que las hicieron.

HISTORIA DE USUARIO 5:

Yo como:
Administrador de tienda.

Quiero:
Gestionar a los usuarios de la plataforma

Para:
Mantener actualizado la informacion de mis trabajadorxs.

HISTORIA DE USUARIO 6:

Yo como:
Administrador de tienda.

Quiero:
Gestionar los productos

Para:
Mantener actualizado el menú

CRITERIOS DE ACEPTACIÓN:

- Acceder a una pantalla de login.
- Ingresar email y contraseña.
- Recibir mensajes de error comprensibles, dependiendo de cuál es el error con la información ingresada.
- Ingresar al sistema de pedidos si las credenciales son correctas.

CRITERIOS DE ACEPTACIÓN:

- Anotar nombre de cliente.
- Agregar productos al pedido.
- Eliminar productos.
- Ver resumen y el total de la compra.
- Enviar pedido a cocina. (guardar en alguna base de datos).
- Se ve y funciona bien en una tablet.

CRITERIOS DE ACEPTACIÓN:

- Ver los pedidos ordenados según se van haciendo.
- Marcar los pedidos que se han preparado y están listos para servirse.
- Ver el tiempo que tomó prepara el pedido desde que llegó hasta que se marcó como completado.

CRITERIOS DE ACEPTACIÓN:

- Ver listado de pedido listos para servir.
- Marcar pedidos que han sido entregados.

CRITERIOS DE ACEPTACIÓN:

- Ver listado de trabajadorxs.
- Agregar trabajadorxs.
- Eliminar trabajadorxs.
- Actualizar datos de trabajadorxs.

CRITERIOS DE ACEPTACIÓN:

- Ver listado de productos.
- Agregar productos.
- Eliminar productos.
- Actualizar datos de productos.

DEFINICIÓN DE TERMINADO:

- Debes haber recibido code review de al menos una compañera.
- Haces test unitarios y, además, has testeado tu producto manualmente.
- Hiciste tests de usabilidad e incorporaste el feedback del usuario.
- Desplegaste tu aplicación y has etiquetado tu versión (git tag).

DEFINICIÓN DE TERMINADO:

- Debes haber recibido code review de al menos una compañera.
- Haces test unitarios y, además, has testeado tu producto manualmente.
- Hiciste tests de usabilidad e incorporaste el feedback del usuario.
- Desplegaste tu aplicación y has etiquetado tu versión (git tag).

DEFINICIÓN DE TERMINADO:

- Debes haber recibido code review de al menos una compañera.
- Haces test unitarios y, además, has testeado tu producto manualmente.
- Hiciste tests de usabilidad e incorporaste el feedback del usuario.
- Desplegaste tu aplicación y has etiquetado tu versión (git tag).

DEFINICIÓN DE TERMINADO:

- Debes haber recibido code review de al menos una compañera.
- Haces test unitarios y, además, has testeado tu producto manualmente.
- Hiciste tests de usabilidad e incorporaste el feedback del usuario.
- Desplegaste tu aplicación y has etiquetado tu versión (git tag).
- Los datos se deben mantener íntegros, incluso después de que un pedido ha terminado. Todo esto para poder tener estadísticas en el futuro.

DEFINICIÓN DE TERMINADO:

- Debes haber recibido code review de al menos una compañera.
- Haces test unitarios y, además, has testeado tu producto manualmente.
- Hiciste tests de usabilidad e incorporaste el feedback del usuario.
- Desplegaste tu aplicación y has etiquetado tu versión (git tag).

LOW FIDELITY PROTOTYPES

For our first sprint we analyze the requirements of our client and make a prototype for tablet and desktop.

Login Mockup

A login form mockup for the WOOW application. The form is centered on a white background. At the top, the word "WOOW" is displayed in a large, bold, black font. Below the logo, there are three input fields: "User Name", "Password", and a "Login" button. The "Login" button is a solid gray rectangle with the text "Login" in white. The "User Name" and "Password" fields are white rectangles with rounded corners and thin gray borders.

List of Products Mockup

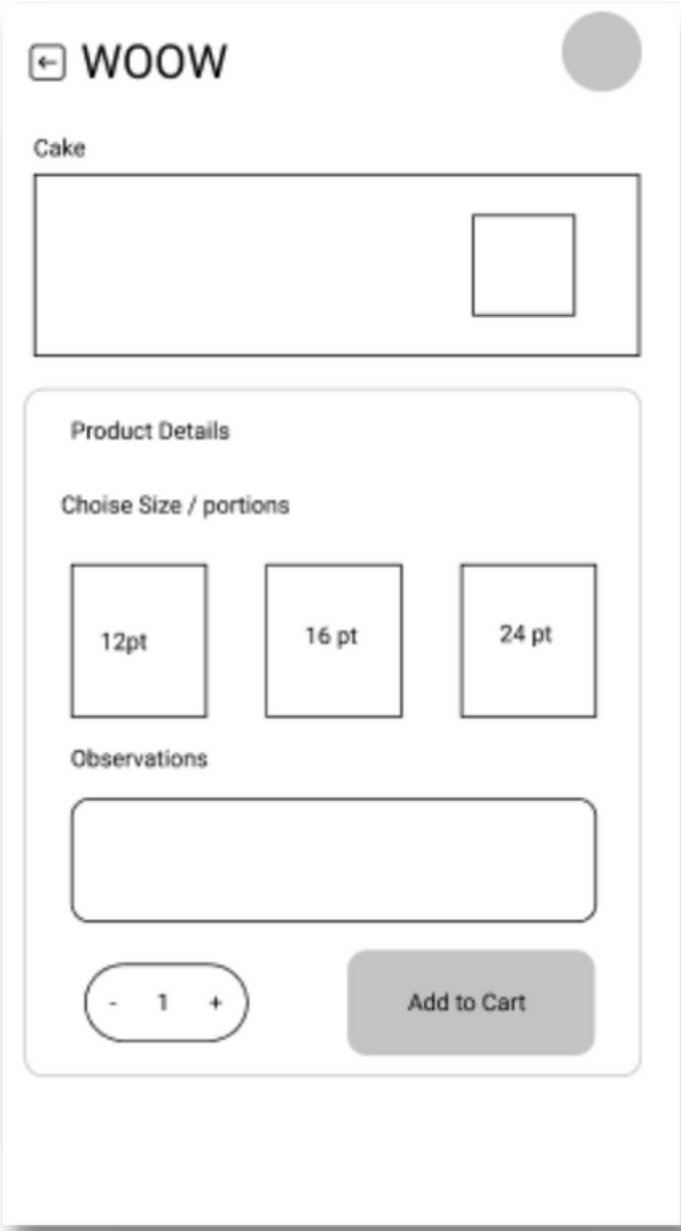

A list of products mockup for the WOOW application. The mockup is shown on a white background with a gray shadow. At the top left, there is a hamburger menu icon followed by the text "WOOW". At the top right, there is a shopping cart icon and a gray circle. Below the header, there is a search bar with a magnifying glass icon. Underneath the search bar, there are four category buttons: "Tortas", "Helados", "Bebidas", and "Salados (postres)". The "Helados" button is highlighted with a gray background. Below the categories, there are three product cards. Each card has a square placeholder for an image on the left. To the right of the image, the text "Product Name", "Product Description", and "Product Cost" is displayed. A plus sign icon is located to the right of each card.

Desktop View : Login

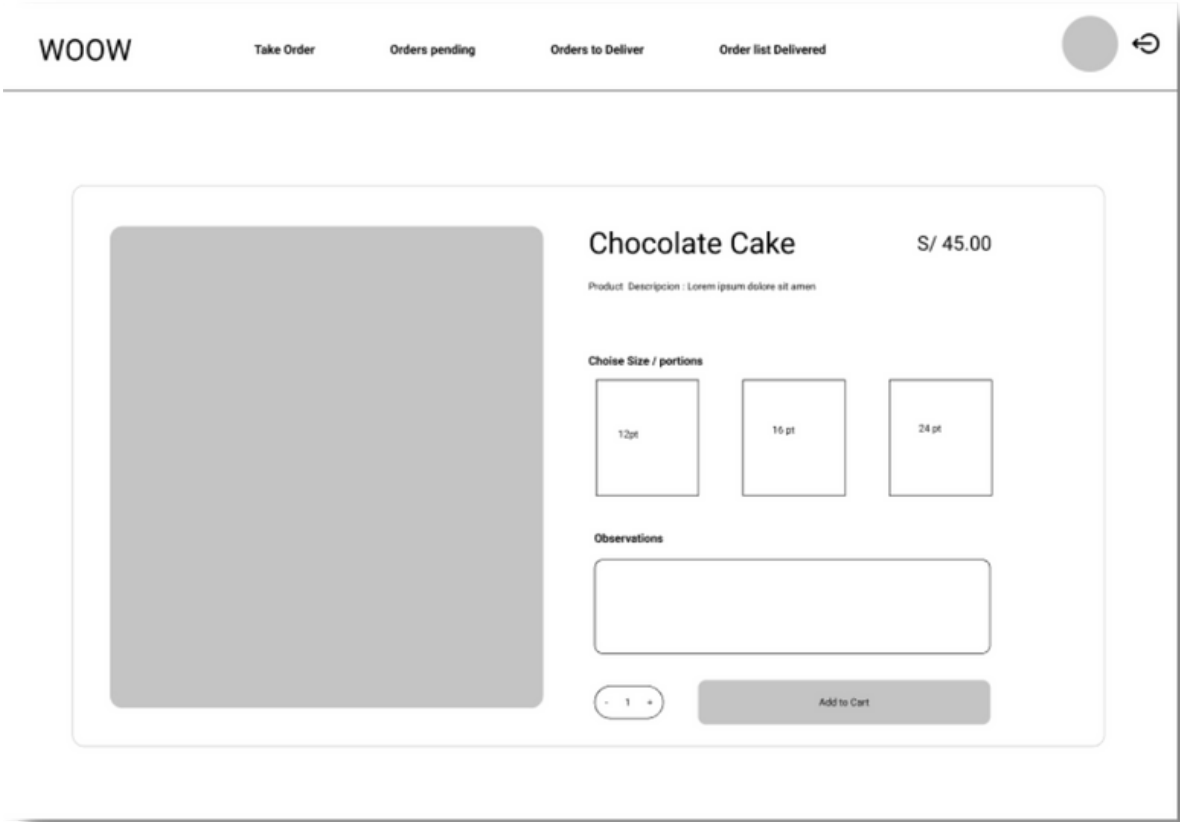

The login form features a large gray placeholder image on the left and the brand name "WOOW" in a large, bold, black font on the right. Below the brand name, there are three input fields: "User Name", "Password", and a "Login" button. The "Login" button is a solid gray rectangle with white text.

Waiter View : Take Order

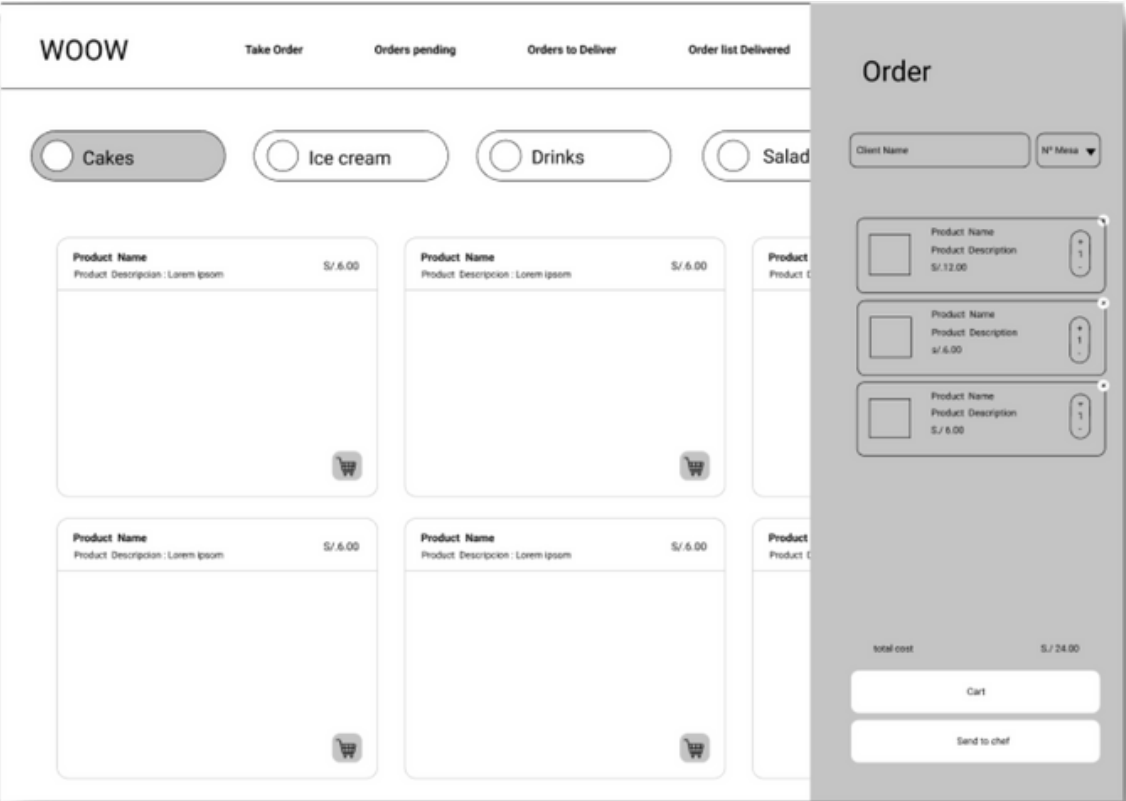

The waiter view interface is titled "WOOW" and includes a navigation bar with four tabs: "Take Order", "Orders pending", "Orders to Deliver", and "Order list Delivered". A search bar is located below the navigation bar. The main content area displays a grid of six product cards, each with a "Product Name", "Product Description", and "Price" (e.g., \$/6.00). Each card also features a shopping cart icon in the bottom right corner. The "Cakes" category is selected, as indicated by a radio button and a gray background on the "Cakes" tab.
