

Welcome to the **Ottawa** site

About your visit...

Located in the Nation's Capital, the Ottawa Site of the IBM Canada Lab is part of a thriving R&D community with a small-town feel and a spirited and diverse culture. Ottawa based Cognos was one of IBM 's largest acquisitions. Cognos is the leading provider of technology and services for Business Analytics and Performance Management. The Ottawa lab delivers the industry's most complete open standards-based platform, with the broadest range of expertise to help companies expand the value of their information, optimize business processes and maximize performance across enterprises.

About the Lab

What you will experience. . .

We look forward to your visit with us in the IBM Client Centre – Ottawa. Your time is valuable and our team will work hard to make sure your time spent with us is productive and beneficial to your organization.

Together with your IBM Account Team, our Executive Briefing Consultant will have created a customized briefing program specifically designed to meet your objectives and address your business needs.

This is your opportunity to gain valuable insights from business, lab executives, and subject matter experts. Using your visit objectives as the foundation, the agenda will focus on topics relevant to you and include interactive presentations, discussions and demonstrations. In addition, your agenda can include topics related to Analytics Platform, Analytics based Solutions; Security, Middleware, Application Platform & Watson. For your convenience, we have a wireless network that will support whatever device you bring with you. Also, if during your stay, you need to connect back to your office or take a phone call, our private guest suites, complete with internet access and a phone, are available for your use.

For further information regarding the Ottawa Site or the Executive Briefing Program, please feel free to contact us at **(613) 356-6308**.
